Thursday, August 19th

NEW: Fire Service Training Day with Nationally Recognized Presenters

Opening Remarks: US Fire Administrator Kelvin Cochran

Educational Seminar

“Vehicle Fires... A Tactical Approach to the Unknown”

Deep Blue Training Associates Training Session

Brendan Dunn and Robert Stephens

Join fire officers and fire safety trainers Brendan Dunn and Robert Stephens for an informative and timely educational session. Dunn and Stephens each have more than 20 years of career fire service experience and expertise with the Utica Fire Department. This course is aimed at addressing the tactical techniques needed to fight various types of vehicle fires.

Educational Seminar

Officer and Administrator Training Series “Sneak Peek”

VFIS Insurance

John Sroka from VFIS will be offering a preview of FASNY’s newest training series, aimed at educating fire officers and fire administrators in their respective roles.

Educational Seminar

Tim Sendelbach

Join Tim, a 23-year student and educator of fire and emergency services currently serving as Editor-in-Chief for *FireRescue* Magazine and President of TES² Training & Education Services, as he leads you through a dynamic program dedicated to shaking firefighters out of stale thought patterns and processes.

Friday, August 20th

Memorial Service, Acceptance Speeches and Installation of Officers

FASNY and its Convention Committee and Training and Education Committee have opted to revise the Convention schedule for 2010. In past years, the Convention seminars

have been scheduled over the course of two days, taking place after Convention business has been conducted in the morning.

This year, the committees have designated Thursday, August 19th, as an “all-seminar” day. No other conflicting business meetings or activities for the Convention will be scheduled between 9:00 a.m. and 5:00 p.m. on this day. The Training and Education Committee will be offering consecutive training seminars over the course of the day so that all attendees can attend as many of the seminars as they choose.

The lone exception to this slate of programs is the ever-popular 2% Tax Forum, which the committee has elected to offer on Wednesday as a stand-alone seminar.

Just a reminder...there is never a cost to attend any or all educational programs at the FASNY Convention, nor is there a fee to register for the Convention itself. Registered attendees may attend all educational functions.

Stay tuned to www.fasny.com for more details as they are confirmed.
