

28th Annual Cosmo Strigaro New York State Volunteer Firemen's Softball Tournament

The 28th Annual Cosmo Strigaro New York State Volunteer Firemen's Softball Tournament will be held starting Friday, July 31 through Sunday, August 2, 2009. This two division, double elimination tournament will again be hosted by the Greenport Fire Department Pumper Company #1. The softball games will be played on the immaculate fields at the Firemen's Home in Hudson, NY.

Plan on attending this event to see some of the best slow pitch softball in the state and visit the new Firemen's Home and the FASNY Museum of Firefighting. Come and watch to see if Pleasant Valley FD, the 2008 tournament winners, can defend their title. Free camping will be available on our beautiful 122-acre campus.

More information will be forthcoming, but you can access Greenport's website at <http://home.mhonline.net/gfd> for applications and camping registration forms. If you have any questions, email gfdsoftball@yahoo.com.

We look forward to seeing you on the first weekend of August!
