

TEACHER OF THE YEAR

OVERVIEW

FASNY invites communities and schools across the state to honor their best fire prevention educators with a nomination for Teacher of the Year. Each year, the FASNY Fire Prevention and Life Safety Committee recognizes a teacher with dedication to fire prevention and the safety of students and their families.

CRITERIA

Eligible nominations must:

- Teach at the elementary or secondary level in a public, private or parochial school in New York State.
- Be nominated by a fire department, company, sectional or county organization; school principal; or administrator. Applications must include additional documents (see the instructions below).
- Demonstrate innovative ways of presenting fire prevention and life safety education in the classroom. Nominees will be judged on the originality of their program(s), the duration of their efforts throughout the year, the support received from local fire organizations and how long the nominee has been presenting their program in years.
