

Volunteer Firefighter

Fire Apparatus Operator

Job Description

The Fire Department Apparatus Operator is responsible for operating and inspecting fire department vehicles and equipment. This position ensures that the department's apparatus are kept in safe and working condition and comply with applicable standards, regulations, and departmental policies during emergencies and at all other times.

Responsibilities

- Conduct routine inspections and preventative maintenance on all department vehicles and apparatus.
- Respond to emergency incidents in accordance with state emergency response laws.
- Conduct regular safety checks on pumps, aerial devices, emergency lighting, and other specialized equipment.
- Collaborate with firefighters, officers, and administrative staff regarding apparatus readiness and operational concerns.

Qualifications

- Valid Driver's license; commercial driver's license preferred, but not required.
- Must be at least 21 years of age.
- Current defensive driving certification.
- Current, or the willingness to obtain, NYS Emergency Vehicle Operations certification, or an equivalent.
- Current, or the willingness to obtain, NYS Pump Operator Certification, or an equivalent.
